Overnight lane, ramp closures on inbound Kennedy, Edens

CHICAGO – The Illinois Department of Transportation announced today that emergency pavement repairs on the inbound Kennedy Expressway (Interstate 90/94) at Pulaski Road will require overnight lane and ramp closures tonight, Friday, Sep. 17.

Starting at 10 p.m. tonight, the right two lanes will close on both the inbound Kennedy and the inbound Edens Expressway (Interstate 94), between Lawrence Avenue and Pulaski Road, as well as the inbound entrance ramps from Montrose Avenue and Irving Park Road.

Due to the short nature of the closures, no detour will be posted. Alternative routes are encouraged. All lanes and ramps will reopen, with the express lanes resuming their normal operations, by 8 a.m. Saturday, Sep. 18.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
